

Fund your adoption through OneCause & National Adoption Foundation

The National Adoption Foundation and OneCause are working together to help you turn your everyday purchases into contributions for your adoption, at no extra cost to you!

How it Works

For over 10 years OneCause has provided free, effortless fundraising programs to help families adopt. Simply start your everyday shopping at OneCause.com to contribute up to 20% of every eligible purchase to the National Adoption Foundation – 50% of which will be disbursed back to you as a cash grant. Use the money to pay for adoption expenses, legal fees, travel, medical, education or anything your child needs.
